MY SAFEGUARDING RESPONSIBILITIES

Having healthy boundaries where you do not: overshare, give personal information, meet children without organisational knowledge.

Remain curious to changes in behaviour.

Flag concerns about behaviours that concern you.

Respecting children's spaces and their privacy.

To not cross the line between discipline & harm.

Maintaining boundaries & confidentiality.

To abide by your safeguarding policy & guidelines.

Using values of non-judgement, non-discrimination & controlled emotional involvement in your approach.
